Photographer Ewoud Broeksma deceased unexpectedly on February 18, 2019. MooiMan Gallery exhibited its work since the opening of the gallery. With the retrospective exhibition “Ewoud Puur”, which includes his first works, we honor a more than exceptional photographer but also a good friend and beloved person.

For almost 30 years, Ewoud Broeksma mainly photographed athletes, often naked or, as he called it, “pure”. Regionally he became particularly known for his photo series “Hemd van het lijf” for the Dagblad van het Noorden. For that photo series, many well-known, mostly male, top athletes exposed themselves to him with a view to art or pure aesthetics. It earned a lot of national and international appreciation for his work. Judoka Mark Huizinga, the gymnasts Epke Zonderland and Yuri van Gelder as well as short-skater Sjinkie Knegt, for example, were photographed according to Ewoud Broeksma in the “antique dress code”.

Various calendars and books document his work, including the 2nd part, published in 2016 in the series “Dubbelaars / Doubles” in which 50 + 2 men show themselves dressed and undressed in the same position. “For a fair comparison,” was Ewoud’s advice.

As an overview exhibition, the exhibition is probably never complete, because Ewoud Broeksma’s oeuvre is huge. As a tribute, with ‘Ewoud Puur’ we mainly show his most beautiful men.

The opening will take place on Sunday 23 June. The gallery is open from 3 p.m. At 4 p.m. the opening will be performed by **Philip Broeksma**, brother of Ewoud together with loyal friend and journalist **Cees Wijburg**. Welcome!

Ewoud Puur: June 23rd - September 21st. The gallery is closed: July 8th - August 8th.
