15 JAAR

Galerie Mooiman turns pink with the exhibition 'PRECIOUS PAPERWORKS' in which works on paper or works made of paper are central. With this exhibition, the gallery is celebrating its 15th anniversary – against the current for years. For these 15 years we would like to thank not only the artists, but also everyone who has supported us over the years. That's why we're giving some away. Only on the opening day on December 12, 2021 we will give a 15% discount on all purchases. For you!

During the 'Precious Paperworks' exhibition, more than 100 works by various artists can be seen, such as Anton Abela, Roland Berger, Paul van Dongen, Jan Matheus de Grauw, Rinaldo Hopf, Fernando Madera, Cornelius McCarthy, Bastiaan Mol, Niels Smits van Burgst, Hannes Steinert, Sergey Svetlakov, Benno Thoma, Hans van der Veen and Ralf Wehrle & Uwe Frank. The exhibition also includes spatial work by two new artists on display: porcelain by Anders Wolhar and sculptures by Rijon Crystal Art.

Part of the proceeds from the sale of the watercolors by Jan Matheus de Grauw will be donated to the LGBT Asylum Support foundation, which is committed to LGBTI asylum seekers in the Netherlands.

**OPENING** Due to corona, only guests are welcome who can demonstrate that they have been vaccinated or cured by means of a **QR-code check**. The gallery is open on Sunday, December 12, 2021 from 2 to 5 PM
